

**2023 Bartow County Master Gardener  
Projects and Time Allocation  
as of January 2023**

Title	Project In Charge	Purpose	Credit your time here if:
[01] Meetings (Association, Committees, PDT)	Renee Carleton	Meetings to plan MGEV projects and activities.	You are attending monthly meetings, PDT meetings, Executive Board Meetings, and other committee meetings not covered under specific projects. This includes preparing for meetings (reports, shopping, set up, etc.)
[02] MGEV Finance & Fundraisers (Plants, Grants, T-shirts, etc.)	Dee Anne Wyse	Raise funds to support MGEV Programs and activities	You are actively involved in preparation, set up, break down and/or working/staffing for Mayfest and Roselawn Festivals or any other approved fundraising activity.
[03] Lawn & Garden Workshops and Presentations	Dee Anne Wyse	Provide educational presentations and workshops to the public on home gardening and general landscape care.	You are actively involved in preparing for, shopping, set up, break down, and actual workshop support. For ALL workshops
[04] Keep Bartow Beautiful (Allatoona Clean-up, Arbor Day, Shakespeare Garden, Hardin Bridge, Hayes Park, Neel's Landing, etc.)	Katie Martin	Support for all Keep Bartow Beautiful (KBB) programs and projects.	You are actively involved in any approved KBB project
[05] Propagation and Seed Starting	John F (rick) Shireman	Provide a variety of plants from seeds, cuttings and other propagation Techniques for use in community gardens, school gardens and for sale to general public. Provide a hands on learning experience for MGEV in propagation from various means for viable plants in our geographic area, focusing on species and varieties not available commercially, especially native plants. This new project combines activities from seed starting and propagation and root propagation teams.	You are involved in any seed starting and/or plant propagation activities. These events are leading up to spring and fall plant donations to schools and community gardens or other MGEV needs as well as Roselawn Mayfest and Fall Festival plant sales. However, actual time for setting up, staffing and tearing down the festivals events is charged to MGEV Finance & Fund raising .
[06] All School Garden Consult/Support	Katie Martin	Master Gardeners will assist with school gardens and STEM, STEAM projects that need their assistance. They will provide support for school garden and outdoor classroom activities at local schools. The purpose of this project is for master gardeners to use their knowledge to answer any garden questions that teachers or students have and help their garden be successful.	You are actively involved with any school garden and/or STEM/STEAM program.
[07] Rose Lawn Education Garden	Steve Zuber	Preserve collection of heirloom roses at Rose Lawn Museum. Teach community about rose care and heirloom rose varieties. Provide garden tours and seminars on rose care.	You are actively involved in landscape, clean up and general maintenance of Roselawn grounds
[08] 4-H Activities (Play In The Dirt Day Camp, Forestry Team, etc.)	Sandy Adams	Provide support for approved 4H activities and projects.	You are involved in any 4H activities.
[09] Mentoring New MGEV Trainees	Vicki Jones	Assist with hosting new MGEV training classes and mentoring new trainees.	You are working with new MGEV class and your mentee.
[10] Extension Office Support (Office Volunteers; Reference Library; In-County Onsite Consultations)	Mary Willis	Assist Extension office staff with answering phones, email, and in-person consumer questions including soil samples. Answering questions from the "Ask a Master Gardener and/or On-line Help Desk. General office duties such as copying publications, organizing publication racks, reference library, etc. Assist County Extension Agent with home garden client onsite consultations. These should be scheduled and assigned through the County Extension Office. It is strongly recommended to have two volunteers present for all onsite consultations.	You are in the office providing general support of program and office staff (phones, filing, copies, reference material organization, soil samples, etc.)
[11] Media Promotion (Marketing, Publicity, Social Media, etc.)	Dee Anne Wyse	Promote educational programs and services provided by Bartow County MGEV's.	You are creating posts for social media, newspaper articles, program promotion activities
[12] Community Garden Assistance (Allatoona Resource Center)	Gisele Butker	Provide support for approved community gardens; home health assistance center, nursing home, senior center gardens and/or garden therapy projects	You are actively involved in consulting, landscape or maintenance of approved community gardens or participating in an approved garden therapy project.
[13] Judging Flower Shows and County Fairs (as requested)	Jo Ann Dorsey	Increase awareness of ornamental plants for improving the aesthetic value of landscaping.	You are performing flower show judging.
