Dear Parents/Guardians, Teachers and 4-H'ers:

It's hard to believe that the end of school is near and that summer is right around the corner! Please note that there will be no club meetings in schools during the month of April so that students and teachers can focus on important statewide testing. During our March meetings we will share tips with students on how to deal with stress as they prepare for testing and busy spring schedules. Please take a moment to check in with your child and talk about all that they have going on in their minds. We want them to be the happiest and healthiest version of themselves at all times!

Lots of dates will be added to calendars for spring and end of school events. We are busy planning our end of year awards program, preparing for summer camp, and planning lots of additional fun activities for our 4-H'ers to participate in throughout the summer. For more information about upcoming events, check out our website at extension.uga.edu/bulloch or add us on social media!

Sincerely,
Lauren Boykin, Bridget Dixon, Daniel Meade, Mary Helen Coble, and Emily Wroblewski
