## Welcome to 4-H in the 2020's!

For over one hundred years, 4-H has been a cornerstone of educational programming in Georgia public schools. After all this time, we continue to provide afterschool activities, leadership opportunities, and hands-on experiences that help grow youth in our community into high achieving adults. Thank you for allowing us to be a part of your family for all these years. Here at Catoosa County 4-H, we are grateful for our past and excited about the future!
