# Club of the Month Competition

Each month, points are tallied up for each 5th grade 4-H Club and the top ten for the month are announced in the newsletter. At the end of the school year, the 5th grade 4-H Club with the most points will win an Ice Cream Party. Work together as a team with your classmates to try to earn points. Everything you do in 4-H will earn points for your class.

Listed below are some of the many ways for 5th grade 4-H Clubs to earn points:

- Complete Friends book activity and turn them in at every club meeting
- Have your parent sign your newsletter and bring back to next meeting
- Prepare classroom presentations
- Be on your best behavior at all times
- Turn in as many contest entries as possible
- Collect and turn in pop tabs
- Participate in a 4-H activity outside of the classroom
- Wear green on Club Meeting days
- Wear a name tag on Club Meeting days

Arch the Dog says: The easiest and quickest way to accumulate "club of the month" points is to complete the short activities in the Friends book. If everyone in the classroom participates in the Friends activity your class will **earn 750 points!**

# Cloverleaf County Project Achievement

Helping students develop effective public speaking skills is one of the goals of our 4-H program. After learning the basics of public speaking, students will use their knowledge to create a speech about a topic of interest to them. County Project Achievement is a fun competition for **5th & 6th grade 4-H'ers** and an opportunity to improve their speaking skills. In Project Achievement students will compete with one another by choosing a project of interest to them and presenting a demonstration with visuals. This event will take place on **Saturday, February 8 at Clarke Middle School from 9:30 am until 12:00 pm**. Any 5th or 6th grade 4-H'er who wishes to compete in this activity will need to sign up in their classroom or contact the 4-H office. With 62 different projects from which to choose, there is something for everyone!

To participate in this competition, students will choose a topic from the list, prepare an informative presentation with visuals and then present your speech at the competition in February. More detailed information will be presented to you during your October and November club meetings and you will receive a project list. You may also find detailed information about Project Achievement on our county 4-H web site along with a link to videos of sample presentations. Select the Project Achievement tab at the following web address:

**<http://www.tinyurl.com/clarke4h>**

Besides learning public speaking skills, participation in project achievement will help promote self-confidence, improve research and organizational skills, and enhance sportsmanship and integrity.

Winners from the CPA competition in February will earn the opportunity to compete at Cloverleaf District Project Achievement in Jackson County on **March 21**. Only students who participate at the district competition in March may apply for the limited number of need based scholarships to reduce the cost of 4-H summer camp.

# Georgia 4-H Service Project

Georgia 4-H'ers are some pretty amazing people! For 14 years 4-H members have participated in a service project to benefit Ronald McDonald Houses in Georgia. Ronald McDonald houses serve sick children and their families while they are away from home receiving medical treatment. 4-H'ers are asked to save the aluminum pull-tabs from canned drinks and food cans for this project. Over the past 14 years, 4-H'ers across Georgia have collected over 150,000 pounds of pop tabs contributing more than \$100,000 to the Ronald McDonald House Charity.

Snap the tab off and bring to your class to help with this project and earn points for your class at the same time. Be sure to recycle the rest of the can too!
