2020 December Issue # 3

County Project Achievement (CPA) County Competition is Virtual this year: Video Links due February 19 District Competition at Jackson County: March 20

County Project Achievement is a fun opportunity for 5th & 6th grade 4-H'ers to share and compete with one another by choosing a project and presenting a demonstration with visuals. Due to safety restrictions, the County level competition will not be held in person this year. However, students can still compete by sending video of them presenting their demonstration. Any 5th or 6th grade 4-H'er who wishes to compete in this activity will need to send a link to their video to Ms. Conway by February 19 at ebarber@uga.edu.

Winners from the county competition in February will earn the opportunity to compete at Cloverleaf District Project Achievement in Jackson County on March 20 if approved. The project list and detailed information about Project Achievement is available on our web site.

Select the Project Achievement tab at:
<http://www.tinyurl.com/clarke4h>

4-H'ers will need to have someone record their CPA demonstration this year, upload video to YouTube and send link to ebarber@uga.edu by February 19.

Please contact Ms. Conway if you need any help preparing your speech or have questions about sending the video link.

Zoom Into Science

<https://georgia4h.org/zoom-into-science>

“Zoom into Science” sessions feature a variety of interesting topics from a wide array of guest speakers. These online, 1-hour zoom sessions allow participants to learn more from experts in their field as well as hearing about a variety of science-related careers.

We have created a Zoom into Science webpage (<https://georgia4h.org/zoom-into-science/>) where we will be posting information about upcoming sessions as well as the recordings of previous sessions.

Upcoming Sessions:

4-H Holiday Card Contest

Athens-Clarke County 4-H held its annual Holiday Card design contest. This year the judges were very impressed with all the entries and had a tough time choosing only one winner. Therefore, the contest has a tie between two ACC 4-H'ers! Thank you to all the students who submitted a design for the contest. These two winners received a \$50 Visa Gift Card.

Avery Lewis: 5th Grade
Timothy Road Elementary School

Lucy Hicks: 5th Grade
St. Joseph's Elementary School
