Want to receive a Summer Camp Scholarship?

Fifth and sixth Grade students who compete at Cloverleaf Project Achievement (CPA) at the Athens-Clarke County Cooperative Extension facility on **Saturday February 10** and at South Jackson County Middle School on **Saturday March 23** can apply for a Summer Camp Scholarship to pay for most of Rock Eagle Camp Registration fee.

Students are encouraged to do their best at the competitions presenting a 3 to 6 minute speech with a visual aid, like a board or poster, but are not required to win. However, parents must complete the Scholarship Application form after the Jackson County DPA if they want their 4-H'er to receive a camp scholarship for July 8-12 . (If student is not winner in first choice at CPA, they can choose and compete an open project for DPA).

The full price for Summer Camp at Rock Eagle is \$340 but if fifth & sixth grade students participate on both dates listed above and submit an application, they can receive scholarship funds to reduce the price for camp to only \$85! Please sign up with their Teacher at school or email Ms. Conway at ebarber@uga.edu before February 1 if you want to compete at Cloverleaf Project Achievement (CPA) !

Details about CPA on February 10 are on page 3 of this newsletter

MilkMake Recipe Contest

The dairy industry is an important part of Georgia Agriculture. There are currently 200 dairy farms in Georgia that produced over 206 million gallons of milk last year. Milk and milk products are an important source of calcium in our diets. Let's get creative and see if you can create a recipe for a milk shake or smoothie.

Here are a few simple rules:

1. find or make up a recipe for a milk drink. It must have milk as one of the ingredients.
2. Write out the complete recipe. Make sure it has a title, list of ingredients, and a description of how to make your drink. De sure to put your name on your recipe.
3. Make the drink following your directions.
4. Have someone taste it and write your comments
5. Turn in your recipe and your tasters comments at your February 4-H meeting.

Project Fun Day (CPA) is a Fun Learning Experience
Saturday, February 10
Athens-Clarke County Cooperative Extension Facility, 9:30 am

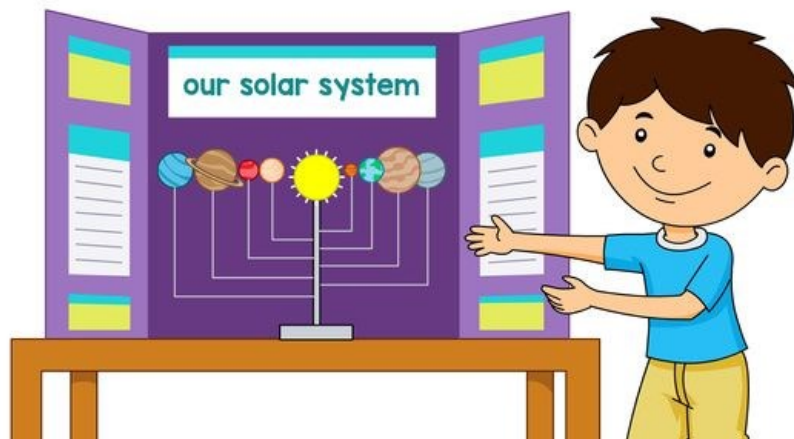

You've had time to think about the October lesson on how to give a speech. Let's put those skills to work and enter the 4-H Project Achievement competition! Now is the time to check out the project listing and choose a subject in which you are interested. Project Fun Day takes place on **Saturday, February 10, 2024 9:30 am-Noon at the ACC 4-H Cooperative Extension Facility.**

To participate in this competition students present a 3 to 6 minute informative speech about their topic, using visuals such as posters or items to enhance the demonstration. Unfortunately in this 4-H competition we cannot use PowerPoint or similar computer generated programs for these presentations. There are few exceptions to the speech requirement that were outlined on your project list sheet, Students interested in the Food Lab Projects: Between Meal Snacks or Food Fare category must make an appointment with 4-H staff to learn about the special requirements for those projects. You and a parent will need to meet with 4-H staff before competing in either.

Students compete against other students who are presenting the same category/project they have selected. Judges will listen to each presentation and award points in the following manner. **Appearance, Visual aids, Delivery, Orderly Process, Accuracy of Information, Coverage of Subject, Knowledge of Subject, and Time Limit.** As a bonus, winners from the CPA competition in February will earn the opportunity to travel to Jackson County to compete in the District Contest (DPA) on March 23. Check our website for additional information about project achievement.

Only students who participate at the district competition (DPA) in March may apply for scholarship to reduce the cost of 4-H Summer Camp held at Rock Eagle on July 8-12.
