## Project Fun Day is a Fun Learning Experience

You've had time to think about the October Lesson on how to give a speech. Let's put those skills to work and enter the 4-H Project Achievement competition! Now is the time to check out the project listing and choose a subject in which you are interested. Project Achievement takes place on **Saturday, February 10, 2024 at ACC Extension Facility from 9:30 AM until NOON.**

To participate in this competition students present 3-6 minute informative speech about their topic, using visuals such as posters or items to enhance their presentation. Unfortunately in the 4-H competition we cannot use PowerPoint or similar computer generate programs for these presentations. There are a few exceptions to the speech requirement that were outlined on your project list sheet. Students interested in the Food Labs Project: Between Meal snacks, or Food Fare category must make an appointment with 4-H staff to learn about the special requirements for these projects. You and a parent will need to meet with 4-H staff before competing in either.

Students compete against other student who are presenting in the same category they have selected. Judges will listen to each presentation and award points in the following manner: **appearance, visual aids, delivery, orderly progress, accuracy of information, coverage of subject, knowledge of subject, and time limit.** As a bonus, winners from the CPA competition in February will earn the opportunity to compete in the District Contest (DPA) on Saturday, March 23, 2024. Check our website for additional information about project achievement at :

**<http://tinyurl.com/clarke4h>**

Only students who participate in district competition (DPA) in March may apply for the limited number of need based scholarships to reduce the cost of 4-H summer camp held in Rock Eagle in July.

**Bonus points for the Club of the Month:** Take your newsletter home and share with your parents. Have them sign below, clip this section, and bring it to your next meeting for 20 additional points!
