NEW FOR 2021!

Hybrid Blueberries from Univ. of Florida: **Hello Darlin' & I Declare**

Ever™ Series Agapanthus

Agapanthus Hybrids

- ❖ Bloom very early and rebloom with white, dark purple, blue or bicolor blooms; fast-growing, tough and drought tolerant.
- ❖ Hardy to USDA zones 8-11
- ❖ 1-1.5' H x 1-1.5' W
- ❖ Part sun to part shade

'Safari Rose' & Safari Sunrise™ Aloe

Aloe Hybrid 'Safari Rose' PP28002
Aloe Hybrid 'X5' PP23267

- ❖ Compact, reblooming; 1st year flowering. Blooms summer to mid-winter.
- ❖ Hardy to USDA zones 9-11
- ❖ 1-1.5' H x 2-3' W
- ❖ Full sun to part shade

**Christmas Carol™
Camellia**
Camellia sasanqua 'J-039'

- ❖ Red bell-shaped flowers with white margins autumn to Christmas
- ❖ Hardy to USDA zones 7-9
- ❖ 5-7' H x 3-5' W
- ❖ Full sun to part shade

EverColor® Carex

**Early Wonder®
Camellia**
Camellia japonica 'Early Autumn'

- ❖ Formal double blooms arrive early in the season; heavy bloomer; upright habit.
- ❖ USDA zones 7-9
- ❖ 6-8' H x 4-6' W
- ❖ Full sun to part shade

**Cast in Bronze®
Distylium**
Distylium Hybrid 'BDY02'

- ❖ Pest and disease resistant, low water, compact evergreen shrub. Bronze new foliage.
- ❖ Hardy to USDA zones 7-9
- ❖ 3-4' H x 3-4' W
- ❖ Full sun to part shade

**Everglow™
EverColor® Carex**
Carex morrowii 'Everglow' PP30466

- ❖ Bright, colorful foliage with an orange tint! New color addition to the EverColor® series.
- ❖ Hardy to USDA zones 5-9
- ❖ 1-1.5' H x 1-1.5' W
- ❖ Part sun to shade

**Jewel Box™
Distylium**
Distylium Hybrid 'BDY01'

- ❖ Blue-green cascading foliage on a pest and disease resistant, low water, compact evergreen shrub.
- ❖ Hardy to USDA zones 7-9
- ❖ 2-3' H x 3-4' W
- ❖ Full sun to part shade

Diamond Spire® Gardenia
Gardenia Hybrid 'Leefive'

- ❖ Upright columnar growth habit, unlike any other Gardenia on the market; single white fragrant flowers late spring, reblooming through summer.
- ❖ Hardy to USDA zones 7-10
- ❖ 3-4' H x 2' W
- ❖ Full sun to part shade

Garden Jewels™ Gerbera
Gerbera Hybrids

- ❖ Strong pest/disease resistance and cold-hardiness to zone 7. Up to 100 flowers per season atop lush foliage.
- ❖ Hardy to USDA zones 7-10
- ❖ 12-14" H x 12-14" W
- ❖ Full sun to part shade

Fool Proof™ Gardenia
Gardenia Hybrid 'Leesix' PPAF

- ❖ Compact, mounding, easy-to-grow gardenia with superior disease resistance; blooms emerge in late spring and rebloom through fall.
- ❖ Hardy to USDA zones 7-10
- ❖ 3-4' H x 3' W
- ❖ Full sun to part shade

Christmas Jewel® Holly
Ilex hybrid 'HL10-90' PP14477

- ❖ Naturally conical shape with very little pruning required. Beautiful red berries.
- ❖ Hardy To USDA zones 6-9
- ❖ 8-10' H x 6-8' W
- ❖ Full sun to part shade

Jubilation™ Gardenia

Golden Oakland™ Holly
Ilex Hybrid 'Magden' PP30451

- ❖ Variegated Oakland Holly. Dense, branching habit requires little pruning. Evergreen.
- ❖ Hardy to USDA zones 6-9
- ❖ 15-20' H x 12-15' W
- ❖ Full sun to part shade

Touch of Gold™ Holly
Ilex crenata 'Adorned'

- ❖ Bright golden leaves on a dwarf, low maintenance rounded shrub. Disease and pest resistant.
- ❖ Hardy to USDA zones 6-9
- ❖ 2' H x 4' W
- ❖ Full sun to part shade

Tara™ Oakleaf Hydrangea
Hydrangea quercifolia 'BIV01' PP30565

- ❖ Oak Leaf with tightly spaced florets, giving a more mophead-looking flower form. Wine-red fall color.
- ❖ Hardy to USDA zones 5-9
- ❖ 6' H x 6' W
- ❖ Part sun to shade

Heart Throb™ Hydrangea
Hydrangea macrophylla 'Hortmagitri' PP30044

- ❖ Compact; blooms on new and old wood. Long-lasting dark red flowers age to green with red.
- ❖ Hardy to USDA zones 5-9
- ❖ 3' H x 3' W
- ❖ Part sun to shade

White Wedding® Hydrangea
Hydrangea paniculata Hybrid 'LeeP1' PP28973

- ❖ More compact paniculate; sturdy, upright branches support large, pillow-like, white blooms
- ❖ Hardy to USDA zones 4-8
- ❖ 3-5' H x 3-5' W
- ❖ Full sun to part shade

Heart Throb™ Hydrangea

'Marvel' Mahonia
Mahonia x media 'Marvel' PP27425

- ❖ Statuesque and upright; gorgeous sprays of fragrant, yellow flowers appear in late fall or early winter.
- ❖ Hardy to USDA zones 6 to 9
- ❖ 6' H x 4' W
- ❖ Shade to part shade

'Florida Sunshine' Illicium

Illicium parviflorum 'Florida Sunshine'

- ❖ Chartreuse golden, fragrant foliage; Leaves become hot yellow in the fall.
- ❖ Hardy to USDA zones 7-9
- ❖ 5' H x 3' W
- ❖ Part shade to shade

'Sunshine' Ligustrum

'Soft Caress' Mahonia

Platinum Beauty™ Lomandra

Lomandra longifolia 'Roma13' PP25962

- ❖ Tough yet graceful. Drought tolerant and low maintenance; thrives in challenging environments.
- ❖ Hardy to USDA zones 8-10
- ❖ 2-3' H x 2-3' W
- ❖ Full sun to part shade

'Stellar Ruby' Magnolia (Banana Shrub)

Magnolia Hybrid 'Stellar Ruby' PP29778

- ❖ Naturally full plants require little pruning. Rose purple banana scented flowers.
- ❖ Hardy to USDA zones 7-9
- ❖ 6-10' H x 6-8' W
- ❖ Full sun to part shade

**Mood Ring™
Podocarpus**
Podocarpus macrophyllus 'Sosa' PP28583

- ❖ Attractive bronze-pink new growth turns green as it matures. Upright habit. Disease, pest & deer resistant.
- ❖ Hardy to USDA zones 7B–10
- ❖ 10–15' H x 3–4' W
- ❖ Full sun to part shade

**Skyscraper™
Senecio**
Senecio ficoides 'Mount Everest' PP22188

- ❖ Upright grower, reaching 3–4 ft tall in one season. No staking necessary. Grow indoors in cold climates.
- ❖ Hardy to USDA zones 10-11
- ❖ 3-4' H x 1.5' W
- ❖ Full sun to part shade

**Roman Candle™
Podocarpus**
Podocarpus macrophyllus 'Miu' PP28582

- ❖ Unique white to light green new foliage; variegated. Upright habit. Disease, pest and deer resistant.
- ❖ Hardy to USDA zones 7B–10
- ❖ 10–15' H x 3–4' W
- ❖ Full sun to part shade

**Cape Town™
Series Tecomaria**
Tecomaria Hybrids PPAF

- ❖ Bush form (non-vining) Tecomarias. Reblooming, with upward facing flowers.
- ❖ Hardy to USDA zones 9-11
- ❖ 4' H x 3' W
- ❖ Full sun

**It's A Breeze™
Rose**
Rosa Hybrid 'Meigremilis' PP25950

- ❖ Highly disease resistant landscape rose. Repeat blooming spring to fall. Heat and humidity tolerant.
- ❖ Hardy to USDA zones 4-11
- ❖ 2.5-3' H x 3–4' W
- ❖ Full sun to part shade

**Coppertop™
Sweet Viburnum**
Viburnum odoratissimum 'Brant 01' PP30449

- ❖ Low maintenance upright evergreen with dark maroon to copper new growth that reappears after each pruning.
- ❖ Hardy to USDA zones 7B-10
- ❖ 8-10' H x 5-6' W
- ❖ Full sun
