Horse Judging and Hippology

Do you want to learn more about the health of horses? How horses should look according to their breed? What all the ins and outs of horses are? Then come join our Horse Judging and Hippology teams!

Horse judging is for students who would like to look at different horses and judge them based on breed standards. Hippology explores all about the care and keeping of horses including nutrition, anatomy, riding equipment and so much more! Join our Hippology or Horse Judging teams and travel to the University of Georgia's campus this spring to compete in the Horse Judging and Hippology Contests!

Open to 4th-12th graders. Practices begin Thursday February 1st 2024. Email keaton.hamid@uga.edu if interested.

Science Corner

Did you know?

The Angler fish can thank its luminosity to the glowing bacteria it carries around on its face.

Did you know?

There are more microorganisms in your gut than there are stars in the galaxy.

Did you know?

The average human body carries ten times more bacteria cells than human cells.

Did you know?

Every square inch of skin on the human body has about 32 million bacteria on it!

Wildlife Judging

Are you interested in learning more about Wildlife and animal species in your community? Are you competitive and want to join a 4-H judging team? Wildlife Judging may be the team for you! Join the fun as we learn about different animal species and their habitats while looking at skulls and furs. Learn management for wildlife including the land, water, and population. This will help develop decision-making, leadership, and written and oral communication skills.

Open to 4th-12th graders. Practices begin March 2024. Email keaton.hamid@uga.edu if interested!
