October 2023

Officer's Training

Congratulations to newly elected fifth grade 4-H officers!
The Coweta County Council invites you to attend an Officer Training class so you can be prepared for your first school club meeting as an officer. The sessions will be held at the Coweta County Extension Office during CloverFEST. Please choose one session from below to attend.

Monday, October 30th

5:00pm OR 6:00pm OR 7:00 pm

Each session has very limited seating so please only bring one adult with you.

IMPORTANT

To reserve your space, use our Sign Up Genius

HOLIDAY CARD CONTEST

Coweta 4-H delivers home-baked goods to our donors and sponsors as a thank you for their support throughout the year. We include a thank you note that is created by one of our 4-H'ers! Enter the holiday card contest to have your design used to thank our generous sponsors. Deadline for entry is **Monday, October 30th** at the Coweta County Extension Office.

Contest Rules:

- * Must be the student's original drawing.
- * Must be 8.5 x 5.5 inch sheet of white, unlined paper.
- * Include 4-H in the theme for the message or design.
- * A general holiday greeting is preferred.
- * All entries must be reproducible as is. Colorful entries are encouraged.
- * Drawing may be signed. Your entry should include full name, address, school, grade, and teacher on back.
- * All Coweta 4-H members are eligible to participate.

How do I get 4-H club points?

- Collect Pop Tabs
- Attend Coweta 4-H Events
- Signed Newsletters
- Join a Coweta 4-H Specialty Club or Team
- Participate in Project Achievement
- Complete "Communicate/Evaluate"

- **K-9 Club** (4th-12th) October 24th @ 7pm

5th Grade 4-H Lesson #2

Project Achievement - Part 1

Choosing a Topic & Note Taking

Read the paragraph below from a sample 4-H speech about chicken eggs. Look at the underlined information. This is the most important information. Rewrite the information in your own words in the evaluate/communicate section.

Project Achievement is your opportunity to express your individuality and share what interests you with your peers and leaders. In our December Club Meetings, you will have the opportunity to share your demonstration with your class. Project Achievement for many is the experience of the year and we strongly encourage all to participate in the County and District Competitions!

Fully formed, the chicken egg has many parts. The ^{1.} outside of the egg is a shell made up of a mineral called calcite. The shell protects the egg. It keeps out bacteria and other harmful things. ^{2.} When a chick is forming, the shell will let oxygen in and carbon dioxide out. In fresh eggs, the ^{3.} shell is coated by a waxy substance called the cuticle that helps to seal it.

This is washed away from the eggs you buy in the store.

In My Own Words:

Evaluate/Communicate: Rewrite the information in the paragraph above in your own words.

1. _____
2. _____
3. _____
