Taylor Tripp-Minibooth-7th place

Justin Lynn-Recycling (Glass/Metal)-7th place

Jolee Schrader-Recycling (Glass/Metal)-1st place

Gavin Tripp-Recycling (Other)-3rd place

Georgia National Fair Livestock Participants:

Allison Hardy—8th Place Yorkshire Gilts

District Project Achievement

During our club meetings today we discussed District Project Achievement. In an effort to answer a few general questions that may be out there we are providing you a brief summary of what you can expect from this opportunity. However, please feel free to contact us at any time with questions at (478) 374-8138.

Georgia 4-H offers something for just about everyone! From Bicycle to Wildlife, there are 59 different categories. Fifty-two projects include oral presentations. Seven projects have special presentations including three performing arts categories, a sewing presentation, and foods labs presenting a no-cook snack. Please check out the categories, but make sure you look at the project objectives to learn more about what your child should do and any special requirements. A project list has been provided to each 4-H'er.

What is 4-H Cloverleaf Project Achievement?

District Project Achievement will equip your child with skills for a lifetime. 4-H'ers pick a project area of interest, research the topic, write a presentation, and then present the presentation to others at our Southeast District Competition on **Saturday, March 18th, in Alma, Georgia** (students will be required to travel with us by bus to the competition). As your child gets older, a record keeping component is added for 4-H Project Achievement, but for our Cloverleaf 4-H'ers, it's all about sharing knowledge, sort of a show and tell! The students compete in their project area against students throughout our district and are judged based on their presentation.

SPOT THE DIFFERENCE

2009

AL BERGE

AL BERGE

There are ten (10) differences between the two cartoons.

1. Clock hands change.
2. Boy's shirt pocket moves.
3. Black fireplace shape changes.
4. Dog loses dot.
5. Crease on boy's trousers.
6. Tree outline changes.
7. Parcel lacks a bow.
8. Dog's tail longer.
9. Tree star gains point.
10. Bauble appears on tree.
