Once you have done that, **click** on the **“Continue”** button. That will take you to a Buyer Information page where you should enter the county in which your business resides (for Commercial Applicators). Then click on the **“Review Order”** button to go to the Review Order page. Review your order carefully and when you are satisfied **click** on the **“Submit Order”** button. This will bring up your Order Receipt, which you can print for your records. A copy of your Order Receipt will also be sent to your email address.

The following steps will occur automatically once you submit your order. Dr. Mickey Taylor will immediately receive a notification of your order, including the name you entered on the Payment Methods page and your email address. Dr. Taylor will enroll you in the courses that you have purchased sometime during each workday, typically around 10:00 AM or 5:00 PM. He will send you an email with your user name and a temporary password. You will be required to change this temporary password when you log onto the gaprocerts.com site for the first time.

Your next step: After receiving your email from Dr. Taylor, go to the [Georgia Professional Certifications](#) webpage. The picture below is what you will see. Click on [Login](#) in the text “You are not logged in. (Login)” in the upper right corner of the screen.

Looking for the Commercial Study Guides or the GCAPP?

Hi! If you haven't visited the UGA Marketplace Pesticide Safety Education store and purchased access to the training course that you wish to take, you will need to do that **before** proceeding with registration on this site. Once your payment for a course has been processed and cleared, you will receive a Payment Receipt with your order confirmation and enrollment in the course(s) you've chosen. Mickey Taylor (mickeyt@uga.edu) will send you an email with your login information.

Georgia Commercial Pesticide Applicator Core Manual Study Guide Course 1

There are four chapters in this course and they correspond to the first four chapters in the National Pesticide Applicator Certification Core Manual Second Edition from 2014. It is designed to prepare you for the Core Pesticide Safety test (formerly the General Standards test) for commercial applicators. The course is interactive and self-guided; you may skip sections of each chapter or entire chapters if you so choose.

Study guide users should understand that the "Notes" section of each slide presents important additional or explanatory information. If you decide not to read the "Notes", you likely will not be able to pass the quizzes that each chapter contains. Quizzes are designed to help you evaluate your understanding of the topic. To get the greatest value from these study guides, quizzes should be reviewed for the correct answer and an explanation of why that is the correct answer.

Georgia Commercial Pesticide Applicator Core Manual Study Guide Course 2

This study guide covers chapters 5 through 7 (hazards and first aid, personal protective equipment, and pesticides in the environment) of the National Pesticide Applicator Certification Core Manual Second Edition. It is designed to prepare you for the Core Pesticide Safety exam (formerly the General Standards exam) for commercial applicators. The course is interactive and self-guided; you may skip sections of each chapter or entire chapters if you so choose.

Study guide users should understand that the "Notes" section of each slide presents important additional or explanatory information. If you decide not to read the "Notes", you likely will not be able to pass the quizzes that each chapter contains. Quizzes are designed to help you evaluate your understanding of the topic. To get the greatest value from these study guides, quizzes should be reviewed for the correct answer and an explanation of why a particular answer is the correct answer.

Georgia Commercial Pesticide Applicator Core Manual Study Guide Course 3

This study guide covers chapters 8 through 11 (transportation, storage, and security; emergency or incident response; planning the pesticide application, and pesticide application procedures) of the National Pesticide Applicator Certification Core Manual Second Edition. It is designed to prepare you for the Core Pesticide Safety exam (formerly the General Standards exam) for commercial applicators. The course is interactive and self-guided; you may skip sections of each chapter or entire chapters if you so choose.
