AWARDS AND HONORS

Excellence in Shooting Sports Programming: Josie Davis & Shannon Childress

Faced with cancellations and during the COVID-19 pandemic, Paulding County 4-H designed an online competition that showcased a bracket and elimination style activity. This tournament allowed BB teams to keep their shooters focused and engaged.

Excellence in Natural Resources/ Environmental Education Award: Josie Davis

Paulding 4-H developed a Virtual 4-H Field Trip program for 5th grade students in an effort to boost morale during COVID-19 and to continue our focus on natural resources education.
