## Find Your Way To Cloverleaf DPA!

### What is DPA?

DPA is like "show and tell"! You get to talk about ANYTHING you are interested in to share it with others! It is just like doing demonstrations during club meetings, but at a FREE competition with prizes, reward trips, and more!

### What do I have to do to compete?

All you have to do is pick a topic, research that topic, and design your presentation! You can use Google Slides or the 4-H Office can provide you with poster boards! Your teachers have packets to help you get started. Then you will attend a FREE competition in Metter to present your project in a classroom setting! After you present, the rest of the day is to just have fun!

### What is in it for me?

1. Each student that participates will receive 150 club points for their class.
2. Each student that participates will be able to attend a FREE carnival after they present on the day of the competition and have a FREE pizza party with chips, cookies, and soda.
3. Each students that participates will be invited to attend a reward trip.
4. **Each student that participates will be able to sign up EARLY for 4-H Summer Camp to guarantee their spot!**
