What is 4-H?

The University of Georgia College of Agricultural & Environmental Sciences works in cooperation with Walker County Schools to provide positive learning experiences for youth in grades 4-12. In Walker County, more than 1300 youth participate in 4-H each school year. Our mission is to assist youth in developing life skills to lead for a lifetime and make the best better!

4-H – Pledge

I Pledge...

My **head** to clearer thinking,
My **heart** to greater loyalty,
My **hands** to larger service,
My **health** to better living,
for my **club**, my **community**,
my **country**, and my **world**.
