Nasal discharge	4	
Diarrhea	4	
Ruffled feathers	4	
Lack of energy & appetite	3	
Decreased egg production	3	
Soft-shell or misshapen eggs	3	
Totals		

Add scores. If total is 10 or greater:

1. Get flock owner’s name, address, phone number, and email address.
2. Advise owner.
 - Urge biosecurity
 - Inform owner that GA Dept. Agriculture or USDA representative may be in contact to get samples from birds.
3. Submit information to **Georgia Poultry Lab Network Avian Influenza Hotline.**
